If your child has special circumstances that we should be aware of in the classroom (or otherwise), please contact Chris Gullotta to discuss at DCFM@southchurch2.org.

Sunday School may look a little different this year due to COVID-19, please monitor your email address throughout the year for updates. All questions, concerns, and/or input are welcome as we navigate these potential changes together.

Photo Release: Occasionally we take photos of our students in the classroom or during special programs to post on a church bulletin board or at our church website, or to include with an article in a local newspaper to share information about church sponsored activities. Please sign below to grant permission to The Congregational Church in South Glastonbury to use photographs of your child(ren) taken during church sponsored activities for church purposes as described here. You will be contacted for special permission should a photo be considered for use other than as described here.
